

Directory of Electronic Visit Verification (EVV) Vendors Interested in Serving Self-Direction Programs

Applied Self-Direction issued a Request for Information (RFI) to identify EVV vendors interested in serving self-direction programs. This directory is based on those RFI responses. Vendors were given the option to complete additional questions based on our [EVV Implementation Tip Sheet for Self-Direction Programs](#). Vendor responses to these questions are available as a member-only resource under the “EVV Implementation for Self-Direction Programs” column.

Applied Self-Direction does not endorse any particular EVV provider or solution.
